

**Minutes of the Meeting of ALLOSTOCK PARISH COUNCIL held on Thursday January 25<sup>th</sup> 2018 at 7.30pm in the Village Hall.**

**Present: In the Chair. Cllr.Mrs J Wilson, Cllr F.Still. Cllrs.Mrs J Gibbison, Mrs P.Adlington, Cllr.Mrs A Owens,Cllr. P.Moseley,Cllr. J. Roberts, Clerk- Mrs Hazel West and 3 members of the Public .**

The Members of the Public present raised two concerns; the first was regarding the state of the Parish field. The weather has been very wet and vehicles have caused the field to become very muddy. Several suggestions were made for the Parish Council to consider, draining the field, extending the parking area and banning vehicles during wet weather which realistically is during November to March at the least.

Other concerns were dog mess on pavements and some rather odd behaviour of residents who apparently were trying to catch the offending dog owner who was not cleaning up. It was suggested to the Parish Council that this behaviour was frightening. They were told if the behaviour was threatening it was a matter for the Police.

Further complaint from the residents present was that the Village Hall signs are broken, the clerk will get quote for new signs.

Concerns were also expressed about the 319 bus service, the Parish Council has had no further information as to whether it will be discontinued.

Fay Jones, a resident would like to get the community involved in the Village in Bloom competition. She will try and rally support and cost the process.
